

ADDENDUM NO. 3**Request for Proposals (RFP) F-FY26-001****Beaufort County DSS Generator Installation****Issue Date:** 4/8/26

NOTICE TO ALL PROSPECTIVE PROPOSERS

This Addendum forms a part of the Contract Documents and modifies the original Request for Proposals (RFP), and all previously issued addenda for the above-referenced project. All proposers shall acknowledge receipt of this Addendum in their proposal submission.

ITEM 1 – GENERATOR PAD DIMENSIONS CLARIFICATION

The concrete pad shall extend a minimum of 12 inches (1'-0") beyond the generator footprint on all sides. If the generator manufacturer requires greater clearances, the Contractor shall provide a pad sized accordingly.

Contractor Responsibilities

The Contractor shall be responsible for:

- Coordinating final generator submittals and shop drawings
- Verifying actual generator dimensions prior to pad construction
- Ensuring pad sizing accommodates manufacturer requirements, including required clearances and maintenance access
- Adjusting anchor bolt layout as required for the selected equipment

Cost Responsibility

All costs associated with proper sizing of the generator pad in accordance with this requirement shall be included in the base bid. No additional compensation will be provided for adjustments required to meet this criterion.

ACKNOWLEDGMENT

Proposers shall acknowledge receipt of this Addendum in the appropriate location within their proposal documents.

Failure to acknowledge this Addendum may result in rejection of the proposal.

END OF ADDENDUM NO. 3
